

AND

Are proud to present the first annual INAEP Field Trip!

Where: CGS Services, Inc. - Morristown Indiana

When: Friday, August 6, 2010 10AM to 3PM

COST: \$20 INAEP Members/ \$30 non-members (cost includes lunch and transportation) You may pay with check (made out to INAEP) or cash on the day of the event - we are sorry but we are unable to accept credit card payment at this time.

***We will depart from the Mundell and Associates, Inc. office located at 110 S. Downey Avenue, Indianapolis at 10:00 AM prompt (please arrive a few minutes early to check-in)**

CGS Services Inc has graciously agreed to be the host for our first annual INAEP Field Trip this summer. We will depart from the Mundell and Associates office via shuttle bus and will proceed out to Morristown, Indiana for a guided tour of the CGS Recycling Facility.

The event will consist of a powerpoint presentation discussing the history of the facility, sand and gravel operations, landfill operation and cell structure, landfill geology, and recycling services of CGS services. After the slide show, we will tour the facility starting at the sand and gravel operations, then moving to the landfill, then finally to the recycling center.

Lunch will be catered by the Copper Kettle, Morristown's legendary fried chicken emporium.

RSVP required by Friday, July 30 to:

anne.davega@pacelabs.com or phone # 317-318-5150
